Independent Auditor's Report

Board of Governors
The Club Foundation

Opinion

We have audited the financial statements of The Club Foundation (the Foundation), which comprise the statements of financial position as of October 31, 2025 and 2024, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as of October 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The Club Foundation

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies

Nature of activities: The Club Foundation (the Foundation) was created in 1988 as the charitable nonprofit organization focused solely on the club industry. The Foundation was formed for charitable and educational purposes to foster intellectual excellence in the field of club management. This purpose is achieved by awarding scholarships or research grants to individuals, and by making gifts or contributions. The Foundation provides funding for the following five key areas: (1) students, (2) faculty, (3) club managers, (4) Club Management Association of America (CMAA) chapters and (5) industry at large. The Foundation has a donor base of constituents that seek to further the knowledge and skills of those individuals that operate country clubs, yacht clubs, city clubs and more.

A summary of the Foundation's significant accounting policies follows:

Basis of presentation: The financial statement presentation follows the accounting requirements of the Not-for-Profit entities topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under the FASB ASC, the Foundation is required to report information regarding its net assets and its activities according to two categories: (1) net assets without donor restrictions and (2) net assets with donor restrictions.

Without donor restrictions: Net assets without donor restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by Board designation. The Foundation has no Board-designated funds at October 31, 2025 and 2024.

With donor restrictions: Net assets with donor restrictions include those net assets whose use is subject to donor-imposed restrictions. Donor restrictions may be for a specified time or purpose limitation, or the donor may specify that the corpus of their original and certain subsequent gifts be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled or both.

Cash and cash equivalents: For purposes of reporting cash flows, the Foundation considers all highly liquid investments purchased with a maturity of three months or less to be cash or cash equivalents, excluding cash held by the investment custodian.

Financial risk: The Foundation maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Foundation has not experienced any losses in such accounts. The Foundation believes it is not exposed to any significant financial risk on cash.

The Foundation invests in a professionally managed portfolio that contains mutual funds and exchange traded funds. Such investments are exposed to various risks, such as market and credit. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near-term could materially affect investment balances and the amounts reported in the financial statements.

Investments: Investments with readily determinable fair values are reflected at fair value. The change in fair value of these investments is recorded as a component of investment income in the statements of activities. Investment interest, dividends, and realized and unrealized gains and losses are netted with investment expenses and are reflected in investment income, net in the statements of activities.

The Club Foundation

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Promises to give: Unconditional promises to give that are expected to be collected in future years are recorded at their initial fair value upon receipt, measured as the net present value of their future cash flows. The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Changes in discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met. Promises to give are stated at net realizable value.

The Foundation's management periodically reviews the status of all receivable balances for collectability. Each receivable balance is assessed based on management's knowledge of the donor, the Foundation's relationship with the donor and the age of the receivable balance. As a result of these reviews, customer or donor balances deemed to be uncollectible are charged directly to bad debt expense. Management believes that the use of the direct write-off method approximates the results that would be presented if an allowance for doubtful receivables had been recorded. Bad debt expense totaled \$8,000 and \$6,000 for the years ended October 31, 2025 and 2024, respectively. The allowance for uncollectible promises to give was \$39,000 at October 31, 2025 and 2024.

Contributions: Unconditional contributions are recorded as support without or with donor restrictions, depending upon the existence and/or nature of donor restrictions. Support that is restricted by the donor is reported as an increase in net assets with donor restrictions. When a restriction expires, donor-restricted net assets are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Conditional contributions are deferred until barriers and rights of refund/return imposed by the donor are met by the Foundation. The Foundation had not received conditional contributions during each of the years ended October 31, 2025 and 2024.

Functional allocation of expense: The costs of providing various program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. The costs are allocated among program services and supporting services activities based on employee effort.

Income tax status: The Foundation is exempt from payment of income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation within the meaning of Section 509(a)(1) of the Internal Revenue Code. The Foundation has adopted the accounting standard on accounting for uncertainty in income taxes. Management assessed whether there were any uncertain tax positions which may give rise to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying financial statements. Generally, the Foundation is no longer subject to U.S. federal or state income tax examinations by tax authorities for three years from the filing date.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications: Certain reclassifications have been made to the 2024 financial statements in order to conform with the 2025 presentation. There was no effect on the change in net assets as a result of this reclassification.

Subsequent events: The Foundation has evaluated subsequent events through February 9, 2026, the date on which the financial statements were available to be issued.

The Club Foundation

Notes to Financial Statements

Note 2. Promises to Give

Promises to give consist of the following at October 31, 2025 and 2024:

	2025	2024
Amounts due within one year	\$ 197,200	\$ 183,725
Amounts due between one to five years	60,500	150,375
Amounts due in greater than five years	-	2,500
Total promises to give	257,700	336,600
Less discount to present value	(3,364)	(17,128)
Less allowance for uncollectible promises to give	(39,000)	(39,000)
Net promises to give	<u>\$ 215,336</u>	<u>\$ 280,472</u>

Promises to give with due dates extending beyond one year are discounted using Treasury bill rates for similar term investments of 2.1%.

Note 3. Investments

In accordance with U.S. GAAP, the Foundation uses the following prioritized input levels to measure fair value. The input levels used for valuing investments are not necessarily an indication of risk.

Level 1: Observable inputs that reflect quoted prices for identical assets or liabilities in active markets, such as stock quotes.

Level 2: Includes inputs other than Level 1 that are directly or indirectly observable in the marketplace, such as yield curves or other market data.

Level 3: Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk, such as bid/ask spreads and liquidity discounts.

Investments recorded at fair value which are classified within Level 1 include exchange traded funds and equity, fixed income and international mutual funds which were based on quoted prices for identical assets in active markets.

Management believes the estimated fair value of investments to be a reasonable approximation of the exit price for the assets.

The Foundation evaluates the various types of financial assets and liabilities to determine the appropriate fair value hierarchy based upon trading activity and the observability of market inputs. The Foundation has processes and controls in place to ensure that fair value is reasonably estimated. The Foundation performs due diligence procedures over third-party pricing service providers in order to support their use in the valuation process. Where market information is not available to support internal valuations, independent reviews of the valuations are used.

While the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

During the years ended October 30, 2025 and 2024, there were no changes to the Foundation's valuation techniques that had, or are expected to have, a material impact on its statements of financial position.

The Club Foundation

Notes to Financial Statements

Note 3. Investments (Continued)

Investments recorded at cost include cash and cash equivalents held within the investment portfolio.

All of the investments carried at fair value are considered Level 1. The following is a summary of investments, which were measured on a recurring basis at October 31, 2025 and 2024:

	2025	2024
Mutual funds—equity	\$ 934,496	\$ -
Mutual funds—fixed income	3,034,235	2,678,100
Mutual funds—international	166,867	-
Exchange traded funds:		
U.S. equities	1,755,559	1,666,338
International equities	630,140	1,334,732
Total investments	<u>\$ 6,521,297</u>	<u>\$ 5,679,170</u>

The following is a reconciliation of the investments presented above to the investments recorded on the statements of financial position at October 31, 2025 and 2024:

	2025	2024
Investments	\$ 4,691,674	\$ 4,094,413
Investments held for endowment	1,829,623	1,584,757
	<u>\$ 6,521,297</u>	<u>\$ 5,679,170</u>

Investment income consists of the following for the years ended October 31, 2025 and 2024:

	2025	2024
Interest and dividends	\$ 157,059	\$ 137,944
Realized and unrealized gains	525,712	833,044
Investment fees	(19,217)	(14,587)
	<u>\$ 663,554</u>	<u>\$ 956,401</u>

Note 4. Related-Party Transactions and Contributed Non-Financial Assets

Operating transactions with CMAA: CMAA receives and disburses funds on behalf of the Foundation. The Foundation owed CMAA \$3,447 at October 31, 2025. CMAA owed the Foundation \$158,179 at October 31, 2024.

The Foundation paid a management fee of \$120,000 to CMAA during each of the years ended October 31, 2025 and 2024. The fee is to reimburse CMAA for staff time dedicated to support of the Foundation.

The Club Foundation

Notes to Financial Statements

Note 4. Related-Party Transactions and Contributed Non-Financial Assets (Continued)

Contributed non-financial assets: The Foundation receives in-kind rent from CMAA and records in-kind rent expense. The fair value of in-kind rent is estimated based on current market rates. The corresponding expenses are allocated among the various expense functions in the statements of functional expenses. Because the rent is recorded as revenue and expense, there is no effect on net asset balances. At October 31, 2025 and 2024, contributed non-financial assets did not have donor-imposed restrictions.

Contributed nonfinancial assets for the years ended October 31, 2025 and 2024, are as follows:

	2025	2024
Rent expense	\$ 57,755	\$ 55,916

The Foundation receives management services consisting of donated personnel services from its affiliate, CMAA. In accordance with ASC 958-220-45-21 and ASC 958-720-45-56, Services Received from Personnel of an Affiliate, the Foundation recognizes the value of these contributed services as contributions of nonfinancial assets within general and administrative, fundraising and program expenses in the statements of functional expenses, with a corresponding amount reported as a transfer of net assets from an affiliate in the statements of activities. The fair value of the management services is estimated using compensation data and allocated based on the employees' time spent on Foundation activities. During the years ended October 31, 2025 and 2024, the Foundation recognized \$72,258 and \$70,310, respectively, in contributed management services.

Note 5. Net Assets With Donor Restrictions

Net assets with donor restrictions include those net assets whose use has been restricted by the donors for a specific purpose and/or a specified time limitation. Net assets with donor restrictions that were restricted for purpose, consisted of the following at October 31, 2025 and 2024:

	2025	2024
Other fund:		
Scholarship funds	\$ 564,843	\$ 678,388
Endowment funds:		
Endowment—appreciation	283,303	207,961
Endowment—held in perpetuity	1,546,320	1,376,796
Endowment funds	1,829,623	1,584,757
Total	\$ 2,394,466	\$ 2,263,145

Net assets released from restriction due to program satisfaction and other events are as follows for the years ended October 31, 2025 and 2024:

	2025	2024
Endowment	\$ 77,316	\$ 68,840
Scholarship funds	137,632	13,280
	\$ 214,948	\$ 82,120

The Club Foundation

Notes to Financial Statements

Note 6. Endowment Funds

Net assets with donor restrictions whose restrictions are perpetual in nature include capital campaign endowment funds. At October 31, 2025 and 2024, the Foundation's endowment consists of multiple donor-restricted funds established for Foundation programs. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The donor-restricted endowment funds are classified within net assets with donor restrictions and must be maintained in perpetuity.

The Board of Governors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) of the District of Columbia as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as net assets with donor restrictions: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets held in perpetuity (consisting of earnings on the permanently restricted amounts) is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Foundation in a manner consistent with its spending policy and the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation and (7) the Foundation's investment policies.

Investment and spending policies: The Foundation has adopted investment and spending policies, approved by the Board of Governors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity. Under this policy, the endowment assets are invested so as to achieve a reasonable rate of return relative to the broad equity and fixed income markets across the full business cycle. To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The goal of the Foundation's spending policy is to provide a reasonable, predictable and sustainable structure that supports the intentions of the original endowment and to only spend an amount of the earnings received of up to 5% of the endowment balance held each year.

Funds with deficiencies: From time to time, the fair value of assets associated with an individual donor-restricted endowment may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. The Foundation has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures by law. The Foundation's policy is to allow spending from underwater endowments. At October 31, 2025 and 2024, there were no funds with deficiencies.

Notes to Financial Statements

Note 6. Endowment Funds (Continued)

The changes in endowment funds for the years ended October 31, 2025 and 2024, are as follows:

	Restricted for Purpose (Including (Losses) Earnings)	Held in Perpetuity	Total
Endowment net assets at October 31, 2023	\$ 41,028	\$ 1,376,796	\$ 1,417,824
Interest and dividends	33,495	-	33,495
Net gain on investments	202,278	-	202,278
Appropriations	(68,840)	-	(68,840)
Endowment net assets at October 31, 2024	207,961	1,376,796	1,584,757
Interest and dividends	35,116	-	35,116
Net gain on investments	117,542	-	117,542
Appropriations	(77,316)	-	(77,316)
Contributions	-	169,524	169,524
Endowment net assets at October 31, 2025	<u>\$ 283,303</u>	<u>\$ 1,546,320</u>	<u>\$ 1,829,623</u>

Note 7. Liquidity and Availability

The Foundation has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. The following represents the Foundation's financial assets as of October 31, 2025 and 2024, reduced by amounts not available for general use within one year due to contractual or donor-imposed restrictions:

	2025	2024
Cash and cash equivalents	\$ 131,999	\$ 57,837
Current portion of promises to give, net	197,200	183,725
Promises to give, net of current portion	18,136	96,747
Due from related party	-	158,179
Investments	4,691,674	4,094,413
Investments held for endowment	1,829,623	1,584,757
Subtotal financial assets	<u>6,868,632</u>	<u>6,175,658</u>
Less amounts not available within one year:		
Net assets with donor restrictions including promises to give to be received in greater than one year	<u>(2,197,266)</u>	<u>(2,079,420)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 4,671,366</u>	<u>\$ 4,096,238</u>
